THE 1000 CLUB

DO YOU PLAY THE LOTTERY? Well, that's good—it helps to support services provided by the State.

WHY NOT TRY A DIFFERENT TYPE OF LOTTERY? This one supports something else—St. Catherine's School—It's called THE 1000 CLUB.

It's been around almost 50 years and has raised hundreds of thousands of dollars. It is run by volunteers, so all proceeds, less expenses, go to the School. These funds help to get those extra things that are needed to keep up with modern teaching, like computers and whiteboards.

Here's how it works: every month on the second Thursday, a drawing is held which gives you a chance to win NINE PRIZES – THE TOP PRIZE IS $1,000. You will receive a bulletin each month with the names of the winners; if you get an envelope with a stamp, there's a check inside—make sure you don't throw it away!

It's also a nice gift for that special someone who has everything—we will supply a gift certificate to go along with it.

It's easy to join; just fill out the form below, send $50 which will buy you a one-year membership. If you have a favorite 3-digit number, fill it in—no guarantees, but we'll try to accommodate you if it isn't already taken. If we can't, we will assign you another number that is available.

So, join us and help a very good cause. Thanks.
